

ARJO X90

Speciality transfer paper for use across a wide range of textile applications

Specialist manufacturers of transfer papers for textiles, Arjowiggins' range of transfer papers have been developed for use across a wide range of applications including sportswear, workwear, swimwear and tagless.

ARJO X90 is a coated two side 90g/m² transfer paper. This speciality paper transfers printed designs to shirts and other garments when heat and pressure are applied. With an excellent dimensional stability, it is very easy to peel and suitable for Hot Peel applications.

It is manufactured by Arjowiggins in Europe.

Printing and finishing

Screenprinting

Screen printing of one or several colours with conventional inks and appropriate Hot Peel inks. Ideal for puff transfers.

Main advantages:

- No curl
- Good dimensional stability
- Easy to peel
- High ratio of ink transfer
- Ease of release and matt finish, providing a soft feel result
- Sharp images and bright colours
- Recyclable

Sizes and formats

Sheets: 70×100cm / Bespoke formats

Reels: 102cm / Bespoke widths

Applications

- Sportswear
- Workwear
- Swimwear
- Tagless
